**Heat pump  
service plan.**

# Total home comfort. Total peace of mind.

We've got the heat pump service plan you need to keep you comfortable all year round.

## Heat pump service plan

Make sure that your heat pump system runs smoothly and efficiently to help you save with:

- **24-hours-a-day, 7-days-a-week on-call access** to our team of heat pump experts.
- **No diagnostic fee** if service is performed between 8am and 5pm, Monday through Friday, excluding federal holidays. Diagnostic fees will apply if you request service at other hours or on federal holidays and weekends.
- **An annual system tune-up** scheduled between March 30 and September 1. This schedule allows us to optimize response to your emergency needs during the heating season. Your tune-up will be completed in accordance with manufacturer's recommendations, including parts specifically required for the tune-up only.
  - Thermostat verification
  - Air filter inspection
  - Evaporator coil check
  - Condenser examination
  - Electrical component check
  - Drainage system check
  - Unit and refrigerant leak check
  - Refrigerant insulation line check
  - Refrigerant charge and overall system operation inspection
- **15% discount off regular rates** for any repair work not covered by your plan.

### The following general exclusions apply:

- Each system must have its own service plan to be covered
- Coverage can be revoked if customer fails to pay for service within terms
- Coverage can be revoked if customer fails to remedy conditions identified as hazard
- Coverage can be revoked if customer permits other than our authorized rep to service equipment
- Providing adequate ventilation for the proper operation (i.e. removal of debris, bushes, leaves away from condensers)
- Removal of asbestos-containing material
- Monitoring vacant or unattended premises
- Maintaining clean air filters
- Replacing fuses
- Resetting circuit breakers
- Turning on the emergency switch
- Setting thermostat temperatures and clocks
- Replacing batteries in system devices
